**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, we support broadband competition. We receive service from a small local company that has local customer service reps, charges less than the big companies and provides a better service. If competition is removed we will be forced to go to the big companies and their prices will go way up. That goes against what America stands for.
